FirstLine Schools
E-Rate RFP Questions
Answers as of January 21, 2015

1. Does FirstLine wish for bids to be broken out by school?
    a. As per E-Rate Guidelines, each site serves as an independent entity for the purposes of equipment procurement.
    b. All sites should have proposed equipment lists separated for budgetary purposes.
    c. All sites should have proposals in two variants, one form is equipment and installation and one form is only equipment (in the event FirstLine chooses to install equipment in-house).

2. Request for access to FirstLine schools floor plans per site.
. Floor plans can be found at:

3. Question of switches at Clark which are exposed.
    - FirstLine is requesting 2x rugged switches of 24 port capacity (onr 1x 48 port), with POE.
    - These switches operate over a fiber-link back to the MDF

4. Utilization of existing internal cabling for wired runs for access points:
    - Langston Hughes and Arthur Ashe will utilize existing in-wall cabling, which will be cut and re-spliced, to facilitate runs for wireless access points.
