Re: FirstLine Schools Facilities Maintenance RFP

To Whom it May Concern,

FirstLine Schools has decided not to move forward with any of the proposals submitted as part of the Facilities Maintenance RFP that had proposals due on October 3, 2014.

We plan to revise the Facilities Maintenance RFP and re-release sometime in the Spring of 2015. We will ensure that everyone that attended the mandatory pre-bid meeting is alerted to the new RFP, as soon as it is released.

If you have any questions or concerns, please contact Rebekah Cain, Director of Operations, at rcain@firstlineschools.org.

Sincerely,

Joseph Neary
Chief Operating Officer
