INTRODUCTION

The mission of FirstLine Schools is to create and inspire great open admissions public schools in New Orleans. FirstLine Schools (FirstLine) is a Charter Management Organization (CMO). FirstLine, a nonprofit CMO with an independent board of directors, operates five charter schools which are chartered through the Orleans Parish School Board (OPSB). These public, open-admission schools receive the same per-student public funding as other public schools in Louisiana. Since its inception, FirstLine has been committed to leveraging charter school independence to implement best practices in education and incubate innovative projects that improve school effectiveness.

FirstLine Schools is seeking proposals to continue wireless/networking upgrades at four (4) schools with remaining Category 2 funding. FirstLine is also seeking proposals for two (2) additional schools that may open within the next one to three (1-3) years. In 2015-2016, FirstLine released an RFP to upgrade the wireless; however, over the past four (4) years, schools have added more devices and as such additional equipment is required. Proposals are being requested for equipment, installation, and licenses. There is limited funding in Category 2 budgets and a list of equipment and services can be found below on pages (10-13). Quantities may be increased or decreased according to the budgets.

2. STANDARD TERMS AND CONDITIONS

2.1 RFP Form.

All written proposals, unless otherwise provided for, must be submitted on, and in accordance with, the RFP package and RFP forms provided, properly signed. **RFP submitted in the following manner will not be accepted:**

- A. RFP instructions and RFP forms contain no signature;
- B. RFP filled out in pencil;
- C. RFP not submitted on FirstLine's standard RFP package and RFP format.
- D. RFP submitted by email or fax.

2.2 Proposal Response Format.

2.2.1 Executive Summary

The one- or two-page executive summary is to briefly describe the Vendor's proposal. This summary should highlight the major features of the proposal. It must indicate any requirements that cannot be met by the Vendor. The reader should be able to determine the essence of the proposal by reading the executive summary. All pages must be numbered consecutively.

2.2.2 Detailed Proposal.

- A. This section should constitute the major portion of the proposal and must contain the following:
 - B. Proposal must include a complete narrative of the Vendor's assessment of the work to be performed, the Vendor's ability and approach, and the resources necessary to fulfill the requirements. This should demonstrate the understanding of the desired overall performance expectations. Clearly indicate any options or alternatives proposed.
 - C. Vendor must respond to each specification. Proposals lacking responses may be rejected. For ease in evaluation, your response must immediately follow each item/specification (paragraph, sub-paragraph, etc.).
 - D. Accept and comply - Follow this response with a brief/concise explanation that adequately details your ability to meet the specified requirement unless the specification/requirement is clearly (unequivocally) a "yes/no", "can do/can't do", "will or will not comply" type of specification in which case "Accept and comply", without an accompanying explanation, will suffice.
 - E. Accept and comply with exception - You must clearly state the difference between the specification and your ability to meet the requirement(s) of the specification.
 - F. Cannot comply - Follow this response with sufficient detail that explains why the specification cannot be met.

G. Exceptions and additions to the Standard Terms and Conditions must be submitted with the proposal response. Exceptions, additions, service level agreements, etc. submitted after the date and time for receipt of proposals will not be considered. Vendor must submit a redline document identifying the proposed exceptions to the RFP terms and conditions with the proposal submission for review and evaluation purposes. Vendor must provide the name, contact information, and access to the person(s) that will be directly involved in legal negotiations of the terms and conditions in the proposal response

2.3 Proposal Copies.

One original and two duplicate copies of each proposal, plus one separate electronic copy in PDF format must be included in the proposal package. Electronic copies may be submitted on a USB drive.

2.4 Receipt of Proposals.

Entire RFP must be received at the address specified in this Invitation on JANUARY 28, 2019 AT 2:00 PM p.m., Central Standard Time, in order to be considered. Any RFP received after proposal opening time will be declined.

2.5 Standards of Quality.

Any product or services proposal shall conform to all applicable federal and state laws and regulations and the specifications contained in the solicitation. Unless otherwise specified in the solicitation, any manufacturer's name, trademark, brand name or catalog number used in the specifications is for the purpose of describing the standard of quality, performance, and characteristics desired and is not intended to limit or restrict competition. Vendors making a proposal must specify the brand and model number of the product offered in their proposals. Proposals not specifying brand and model number shall be considered as offering the exact products specified in the solicitation. Objections to the specifications or RFP conditions must be filed in writing and received by the Purchasing Department at least five (5) days prior to the date of the RFP opening.

2.6 Descriptive Information.

Vendors making a proposal that offer an equivalent brand or model should submit, with the RFP information, such illustrations, descriptive literature, technical data, etc. sufficient for the School Board's Purchasing Department to evaluate quality, suitability, and compliance with the specifications in the Invitation. Failure to submit descriptive information may cause RFP to be rejected. Any change made to manufacturer's public specifications submitted for a product shall be verifiable by the manufacturer. If item(s) offered do not fully comply with specifications (including brand and/or product number), Vendors making a proposal must state in what respect item(s) deviate. Failure to note exceptions on the RFP form will not relieve the successful Vendor(s) from supplying the actual products requested.

2.7 Withdrawal of RFPs.

A Vendor making a proposal may only withdraw their RFP within forty-eight (48) hours after the RFP opening, excluding Saturdays, Sundays and legal holidays, for good cause as provided in La. R.S. 38:2214 C for patently obvious, unintentional, and substantial mechanical, clerical, or mathematical errors, or errors of unintentional omission of a substantial quantity of work, labor, material or services made directly in the compilation of the RFP.

2.8 Awards.

FirstLine Schools reserves the right to award items separately, grouped or on an all-or-none basis and to reject any or all RFPs and waive any informalities. The purchase order and/or contract mailed or delivered to the successful Vendor is the official authorization to deliver the materials, supplies or equipment.

2.9 Prices.

Unless otherwise specified by FIRSTLINE SCHOOLS in the Invitation, RFP prices must be complete, including transportation prepaid by Vendor making the offer to destination and firm for acceptance for a minimum of 45 days. If accepted, prices must be firm for the contractual period. Vendors shall not offer end-of-life equipment quotes if a newer model with equivalent functionality is available. RFPs other than Platform Delivery F.O.B. destination may be rejected. Prices are to be proposed on unit of measure requested, per roll, per reel, per carton, per gallon, etc., as specified in the Invitation.

2.10 Deliveries.

RFPs may be rejected if the delivery time indicated is longer than that specified in the Invitation. Platform Delivery FOB Destination means the successful Vendor shall deliver and unload purchased items to the dock of the designated point of receipt. All cartage, drayage, packaging, handling, palletizing, etc. shall be included in the proposal price. Include a copy of the invoice as a packaging list with each shipment.

2.11 Taxes.

Vendor is responsible for including all applicable taxes in the proposal price. FIRSTLINE SCHOOLS is exempt from all state and local sales and use taxes.

2.12 New Products.

Unless specifically called for in the Invitation, all products for purchase must be new, never previously used, and the current model and/or packaging. No remanufactured, demonstrated, used or irregular product will be considered for purchase unless otherwise specified in the solicitation. The manufacturer's standard warranty will apply unless otherwise specified in the Invitation.

2.13 Contract Renewals.

Upon agreement of the FIRSTLINE SCHOOLS and the contractor, a term contract may be extended for two (2) additional twelve (12) month periods at the same prices, terms and conditions. In such cases, the total contract cannot exceed sixty (60) months.

2.14 Contract Cancellation.

FIRSTLINE SCHOOLS has the right to cancel any contract, in accordance with its purchasing rules and regulations, for cause, including but not limited to, the following:

- (1) Failure to deliver within the time specified in the contract;
- (2) Failure of the product or service to meet specifications, conform to sample quality or to be delivered in good condition;
- (3) Misrepresentation by the contractor;
- (4) Fraud, collusion, conspiracy or other unlawful means of obtaining any contract with FIRSTLINE SCHOOLS;
- (5) Conflict of contract provisions with constitutional or statutory provisions of state or federal law;
- (6) Any other breach of contract.

2.15 Default of Contractor.

Failure to deliver within the time specified in the RFP will constitute a default and may cause cancellation of the contract. Where FIRSTLINE SCHOOLS has determined that the contractor to be in default, the School Board reserves the right to purchase any and all products or services covered by the contract on the open market and to charge the contractor with the cost in excess of the contract price. Until such assessed charges have been paid, no subsequent RFP and/or bid from the defaulting contractor will be considered.

- 2.16 Order of Priority.
In the event there is a conflict between the Instructions for Vendors submitting a RFP or Standard Terms and Conditions or Special Terms and Conditions, the Special Term and Conditions shall govern.
- 2.17 Applicable Law.
All contracts shall be construed in accordance with and governed by the laws of the State of Louisiana.
- 2.18 Equal Opportunity.
By submitting and signing the RFP, Vendors submitting a RFP agree that said Vendor will not discriminate in the rendering of services to and/or employment of individuals because of race, religion, sex, age, national origin, handicap or disability. Vendors submitting an RFP shall keep informed of and comply with all Federal, State and local laws, ordinances and regulations which affect Vendor's employees or prospective employees.
- 2.19 Indemnity.
Contractor agrees, upon receipt of written notice of a claim or action, to defend the claim or action or to take other appropriate measures to indemnify, and hold harmless, FIRSTLINE SCHOOLS, and its members, its officers, its agents and its employees from and against all claims and actions for bodily injury, death or property damages caused by the fault of a contractor, its officers, its agents, or its employees. Contractor is obligated to indemnify only to the extent of the fault of the contractor, its officers, its agents, or its employees. However, contractor shall have no obligation as set forth above with respect to any claim or action from bodily injury, death or property damages arising out of the fault of FIRSTLINE SCHOOLS, its members, its officers, its agents or its employees.
- 3. SPECIAL TERMS AND CONDITIONS (Equipment, materials or supplies)**
- 3.1 Invoices.
Invoices shall refer to the delivery ticket number, delivery date, purchase/release order number, quantity, unit price, and deliver point. A separate invoice for each order delivered and accepted shall be submitted by the contractor in duplicate, directly to the Purchasing Department. Invoices shall show the amount of any cash discount and shall be submitted on the contractor's own invoice form.
- 3.2 Payment.
Payment will be made on the basis of the unit price as listed in the contract. Such price and payment will constitute full compensation of furnishing and delivering the contract commodities. Unless otherwise specified, payment will be made within thirty (30) days after receipt of invoice, delivery, and authorized inspection and acceptance, whichever occurs last.
- 3.3 Discounts.
Discounts offered for prompt payment will be accepted and taken into consideration in determining the low proposal. However, discounts of less than thirty (30) days shall not be considered in making an award. Beginning date of discount shall be determined by the date of invoice, delivery of merchandise, or acceptance whichever occurs last.
- 3.4 Contractual Period.
FIRSTLINE SCHOOLS intends to award all items for an initial period, not to exceed thirty-six (36) months. Delays in awarding, beyond the anticipated starting date, may result in a change in the contract period. If such situation occurs, an award may be made for less than thirty-six (36) months.

- 3.5 Quantities.
For an open-ended requirements contract, quantities shown are based on the previous contract usage or estimates. When usage is not available, a quantity of one (1) indicates a lack of history on the item. The successful Vendor must supply, at proposal prices, actual requirements as ordered whether the total of such requirements is more or less than the quantity shown.
- 3.6 Non-Exclusivity Clause.
This agreement is non-exclusive and shall not in any way preclude FIRSTLINE SCHOOLS from entering into similar agreements and/or arrangements with other Vendors or from acquiring similar, equal or like goods and/or services from other entities or sources including state contracts.
- 3.7 Evaluation of RFP.
- 3.7.1 Evaluation Team
- 3.7.2 All responses received as a result of this RFP are subject to evaluation by FIRSTLINE SCHOOLS Evaluation Committee for the purpose of selecting a Vendor to provide services and products as described in this RFP.
- 3.7.3 A committee whose members have expertise in various areas will evaluate proposals that meet the qualifications as described in this RFP. If required, written or oral discussions may be conducted with any or all of the Vendors to make a determination of the most cost-effective solution.
- 3.8 Discussions/Presentations
Written or oral discussions may be conducted with Vendors determined to be qualified for selection of the award. Written or oral discussions/presentations for clarifications may be conducted to enhance the FIRSTLINE SCHOOLS understanding of any or all components of the proposal submitted.
- 3.9 Evaluation Criteria

- 3.12 Deliveries.
Contractors will maintain an adequate supply of items to meet the specified delivery dates.
- 3.13 Successful Vendor(s) will provide updated/corrected item information in order to assist FIRSTLINE SCHOOLS with keeping accurate, up-to-date files. - 4.3 This Request for Proposal (RFP) is issued to invite Vendors to submit information and/or proposal(s). Issuance of this RFP in no way constitutes a commitment by FIRSTLINE SCHOOLS to select a Vendor and/or award a contract. The FIRSTLINE SCHOOLS reserves the right to accept or reject any or all proposals submitted. Acceptance of any proposal with contractual terms is dependent on the FIRSTLINE SCHOOLS, E-Rate funding, and appropriation of funds by the FIRSTLINE SCHOOLS.
- 4.4 FirstLine Schools' technology goals specify that all of schools will provide campus-wide wireless and wired local area network and high-speed Internet access to all students, faculty and stakeholders.
- 4.5 It is important to FIRSTLINE SCHOOLS that Vendors meet the expectations as set forth in this RFP; especially the requirements for saturated wireless access.

The FIRSTLINE SCHOOLS will not release the Vendor from the performance guarantee required above, because of malfunctions or defects in equipment due to manufacturer error or flaws in the equipment or design.

- 4.7 Because of the diversity of possible solutions, FIRSTLINE SCHOOLS is asking for detailed proposals to accomplish the task. Specifications in this RFP are general and minimal to allow proposals to be as innovative as possible.

- 4.9 All technology equipment included in any Vendor's proposal must be new equipment and purchased from the manufacturer. No grey market, third party, or used equipment will be considered.

The locations chosen represent a cross section of location typologies of the project scope. Proposers are to submit quotes reflecting their project plan for each location. These quotes shall be used as a model for calculating the Do-Not-Exceed Cost of the remaining schools. Do-Not-Exceed Cost will be calculated by expanding the six (6)-site quotes to the remaining schools in the prospective typologies represented by the proposed project plan.
- 4.12 Proposal Pricing Breakdowns:
- Proposal pricing must be separated into three distinct sections:
 - Hardware with Installation
 - Hardware Only
 - A pricing sheet of all items offered
