

Blended Learning Programs

→ continue your learning at home ←

Families,,

Thank you for your continued support of your child's learning at home. Please provide a space where your child can stay focused. Headphones are optional for ST Math.h.

ST Math

Support @ Home

Promote independent learning:

- Ask them questions about what they see happening
- do not give them the correct answers to help them get past the game if they are struggling

Need access to technology? Visit your local library.

Login @ Home

1

Go to the FirstLine homepage. firstlineschools.org

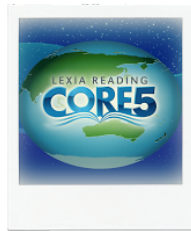

2

Select your school's student portal under the family center tab.

3

Click on the application you would like to access. More information is listed on the back about the purpose of these programs and how you can support at home.

4

Students can login with their username and password.

Username = 6 digit student number + .fl
(ex. 123456.fl)

Password = K → book
1-4 → book1234
5-8 → date of birth written as
MMDDYYYY
