

March 17, 2020

Dear FirstLine Families,

We are very excited to announce our role in participating in the coordinated city-wide feeding plan to serve our city's children, organized by NOLA-Public Schools. FirstLine Schools is participating by opening Phillis Wheatley Community School (located at 2300 Dumaine St, New Orleans, LA 70119) from 9am - 12pm for food pick-up and by utilizing our Ashe and LHA kitchens to deliver meals by buses to areas of the city without school serving sites, such as Gentilly Terrace, Filmore, Dillard, Gert Town, and Fontainebleau.

Details on specific locations throughout the city where you can get meals for your child(ren) can be found at <https://nolapublicschools.com/covid19/nutrition>.

The exciting opportunity to partner with NOLA-PS to provide meals for the children of our city through our direct and contracted staff will also allow us to provide work to some of our cafe staff and bus drivers, something to which we are deeply committed.

Thank you,
