**FIRSTLINE SCHOOLS MEDIA RELEASE FORM**

Throughout the school year, students may be highlighted in efforts to promote FirstLine Schools and its affiliated schools' activities and achievements. For example, students may be featured in materials to train teachers and/or increase public awareness of our schools through newspapers, radio, TV, the web, DVDs, displays, brochures, billboards, social media, and other types of media. There may also be times while a child is enrolled in a FirstLine school where outside media or others may visit the school or school event and wish to photograph, videotape, or interview the child. Please note that this release applies from the date of signing and remains in effect perpetually. FirstLine Schools may use these images, videos, audio, likeness, etc. in the afore-described manner even after your child no longer attends a FirstLine school. Should you no longer agree to your child’s image and likeness being used, you will have to sign and return the opt-out form.

As the parent or guardian, I hereby give FirstLine Schools and its employees, representatives, contracted employees, authorized volunteers, and authorized local and national media organizations (including but not limited to newspaper outlets, magazines, television, and other media) permission to print, photograph, and record my child for use in audio, video, film, or any other electronic, digital and printed media. This is with the understanding that I will not receive monetary compensation for my child’s participation, and I further release and hold harmless FirstLine Schools, its Board of Directors, employees, the photographer, videographer, and other representatives from any future claims and liabilities, known or unknown, arising out of the use of this material.

I understand that by signing this waiver I agree to my child’s image and likeness being used in educational, promotional and marketing materials, on social media sites such as Twitter, Facebook, Instagram, blogs, in press releases, on websites, radio stations, news stations, on television, and any other media outlet.

I certify that I have read the Media Consent and Release Liability statement and fully understand its terms and conditions.

ECONOMIC HARDSHIP WAIVER FORM

This form must be completed in its entirety and returned to the school’s front office /School Operations Manager as a part of this packet.
This form cannot be faxed or emailed. Please hand deliver.

FirstLine Schools seeks to balance fairness (i.e., all participating students should pay the same fee) with equity and an acknowledgement of economic hardship families may face at times. As such, School Leaders (or their designee) will offer fee reductions and waivers to students and families who complete the following steps:

1. Make a good faith effort to pay the full fee, including by requesting additional time and/or a payment plan
2. Request a waiver or fee reduction from the School Leader (or designee)
3. Provide additional documentation requested by the School Leader (or designee)
4. Commit to informing the School Leader (or designee) if the family’s economic circumstances change and the fee is able to be paid later in the academic year.

The Louisiana Department of Education provides the following examples of a family status that may be grounds to grant a waiver: families receiving unemployment benefits or public assistance, including Temporary Assistance for Needy Families (TANF), Supplemental Nutrition Assistance Program (SNAP), Supplemental Security Income (SSI) or Medicaid; foster families caring for children in foster care; and families that are homeless. School Leaders may use these indicators and other information to make their determination.

The 2019-20 fees for all FirstLine schools are outlined on the firstlineschools.org website. The list includes the purpose and use of fees, and the amount of each fee.

NOTICE AND CONSENT REGARDING MEDICAID REIMBURSEMENT  
(FOR MEDICAID STUDENTS ONLY)

**NOTICE**
The Louisiana Department of Health and Hospitals (DHH) Medicaid program allows school districts to request reimbursement for costs associated with provision of certain IEP-related services. These services include occupational and physical therapy, speech pathology, behavioral health services, nursing services, and special transportation.

Schools are required to provide notice and to obtain consent from a parent before accessing a child's Medicaid benefits.

FirstLine Schools seeks your consent to disclose personally identifiable information about your child to Louisiana Medicaid to access reimbursement for the IEP/Medicaid covered health services that are provided at school. In order to submit claims for IEP/Medicaid covered services, the following types of records may be required: child’s full name, address, date of birth, Medicaid ID, disabilities, types of services and dates of services delivered. This disclosure of information to Louisiana Medicaid and its affiliates and access to Medicaid reimbursement for the school district shall not result in any decrease in available lifetime Medicaid coverage, result in any cost to you or your family, increase any premiums or lead to the discontinuation of your child’s benefits or insurance or create any risk of loss of your child’s eligibility for home and community-based waivers based on total health related expenditures.

You may withdraw this consent in writing at any time. If you refuse consent or withdraw consent to allow access to the Medicaid benefits, it will not relieve the school system of its responsibility to ensure that all required IEP services are provided at no cost to your child.

**CONSENT**
I hereby authorize FirstLine Schools to disclose necessary information to Louisiana Medicaid in order to seek reimbursement for the IEP/Medicaid-covered health services provided to my child.
