Hi FirstLine Families,

As a reminder, we have published our [Reopening Safety Guidelines](#) for you to review before in-person learning begins. If you have not done so already, please be sure to take a look at the guide as it may answer any questions you may have about safety at FirstLine Schools.

With the return to in-person learning starting soon for our PreK-4th grade students, we wanted to give you an opportunity to meet virtually with FirstLine's Chief Operating Officer, Rebekah Cain, and learn more about the reopening safety guidelines we have put in place to keep students and staff safe.

We have developed the FirstLine Parent Corner, a series of information sessions so that you and your student will feel prepared to return to in-person learning. We have also built-in time during these sessions for you to ask questions about safety at all FirstLine Schools.

Below is the information on how to join each session, and the topic to be covered. If you are unable to attend, please note that we will be recording these and sharing them on our social media and website so that you may view at your convenience.
