

Hi, FirstLine Families,

We are so excited to welcome back our PreK-4th grade students to in-person learning next week! As a reminder, the staggered start dates for each grade are as follows:

Monday, September, 14th: 3rd and 4th grade  
Tuesday, September 15th: 1st and 2nd grade  
Wednesday, September 16th: Kindergarten  
Thursday, September 17th: PreK

Over the last few weeks, our staff has been working hard to ensure that everyone has a safe return to our buildings which means we have shared a lot of documents with you! We wanted to put everything we have shared together in one spot for you to make sure you and your student are ready to return to in-person learning.

Even if your student is not returning to in-person learning, these items are still helpful for you to review as we will continue to follow these safety guidelines.

- [FirstLine Schools Interim COVID-19 Return to School Campus Guideline, Policies, and Procedures](#): If you are planning to send your student back to in-person learning, this document **must be signed** before they return. Please review and provide your e-signature as instructed.
- [Reopening Safety Guides](#): This document outlines all of the safety guidelines we have put into place to ensure a safe return for all FirstLine staff and students.
- [In-Person Learning Website](#): This page on our website gives you a one-stop-shop for all of the communication and resources we have put out regarding in-person learning. You can also access our [distance learning page](#) should you need resources on our virtual program.
- [Return to In-Person Learning Safety Videos](#): These safety videos will give you and your student an idea of what to expect when returning to buildings.
- [FirstLine Family Corner Information Session](#): Hear from FirstLine's Chief Operations Officer, Rebekah Cain, and Chief Talent Officer, Maya Wyche, as they outline what happens if there is a positive COVID case at your child's school.
- [Family Handbook Addendum](#): We updated our [Family Handbook](#) to include plans for the return to school.

We can't wait to see everyone (in-person or online!) next week!

The Team at FirstLine Schools
